

NARFE CHAPTER 1192 EXECUTIVE BOARD MEETING MINUTES

February 19, 2019

No Executive Board meeting scheduled, or held for January 2019.

President Lorie Bennett called the meeting to order at 12:00 p.m., Zintel Creek Golf Club, 314 N. Underwood Kennewick, Washington. The Pledge of Allegiance was conducted.

Members present: Lorie Bennett, Liz Bowers; John Cavanaugh; Nancy Crosby; Bob Stewart; Darleen Wall; Larry Williams; Faye Vlieger. Absent: Pat Turner; Mary Binder; Johanna Caylor.

President: Lorie Bennett – For this meeting Lorie sent out limited agenda items to be discussed. The meeting room needs to be relinquished by 3 pm for another function. If there is any time at the end of those discussion items requested by the President, other business will be addressed.

- After the completion of the budget discussions President Bennett started the agenda item of addressing the duty of Chapter officers. President Bennett provided copies of the NARFE Chapter & Federation Officers Manual. The edition she provided Board members was dated from 2017. Nancy brought a copy from January 2018.
- It was discussed that the 2018 version is under revision by NARFE and there will be changes in it not included in the copies reviewed.
- As there would be confusion in not having the current copy the manual for discussion, the review of Chapter Officer Duties was tabled until Nancy can provide copies of the January 2018 version.
- Lorie stated that all Board members should be mindful of how we respond to each other.
- At Chapter and Board meetings members should take personal responsibility for notes from the meetings.
- Communication methods are changing to more electronic means, and the Board needs to take a broader view on how to keep our membership informed and alive. Our communication methods at meetings needs to reflect these changes.
- If you have no report at a meeting then be sure to notify Mary of the same for the agenda, so that the meeting can progress quickly and efficiently.

1st Vice President: Pat Turner – Absent, No report was discussed due to time constraints.

2nd Vice President: John Cavanaugh

No report was discussed due to time constraints. These items are still open from the December 2018 meeting.

- Service Office phone – Nancy said she had not yet been able to get to the Federal Building to address the problem of leaving a message on the phone. It was decided to change our business cards to Nancy, Mary, and John's phone numbers and abandon the Federal Building phone altogether.
- Service Office/Officer cards – Mary said she will finish updating the cards now that phone issue is resolved.
- The Service Office currently has a number of files stored inside cabinets. A review of the Chapter records retention policies will be done so that Service Office records can be purged and scanned to electronic media in 2019 as needed.
- John and Nancy will assess which forms need to be purged from the Service Office in December.
- Lorie will contact NARFE about updating the NARFE website to reflect the new Service Office contact numbers.

Director at Large: Nancy Crosby – No report was discussed due to time constraints.

Director at Large: Bob Stewart – No report was discussed due to time constraints.

Secretary/Sunshine: Faye Vlieger

The budget was discussed before this item to ensure it was completed before the meeting had to be adjourned.

- Faye stated that the minutes from the meetings are not verbatim transcripts. As such they will not contain word by word accounts of the discussion, but rather the decisions, and action items from the meetings.
 - Minutes should be approved in an efficient manner, and not through multiple “reply to all” emails. It is normal to do this at the next meeting, not before the meeting.
 - Board and committee members need to only comment on their own areas, and not contradict other Board and committee member’s areas of the minutes.
 - Each committee should provide a report for inclusion in the minutes.
 - Minutes can be corrected or amended for actions taken at the actual meeting.
 - Actions taken after the physical meeting need to be documented separately.
- Lorie read an email from Mary with her concerns about changing the order of the Chapter meetings to include the approval of the minutes.
- Lorie commented on the dissemination of paper copies of the newsletters, and minutes at the Chapter meetings, and no one is taking any copies. This wasteful and inefficient.
- Lorie stated that Board members should only provide corrections to their section of the minutes.
- Liz commented, and Faye agreed that action items need to be documented in the minutes.
- Bob recommended the minutes be sent to Larry for posting to the website as final, and can be amended if corrections are received.
- Lorie stated that at the March Chapter meeting an agenda item will be added stating that the minutes are available on the Chapter website. If there are any changes or amendments to the posted minutes they are to be sent to Faye.

- viii. It was discussed that the newsletter expenses could be reduced if we went to the NARFE recommended quarterly frequency versus the current bi-monthly issues in a year. The schedule discussed was: March/April/May, June/July/August, September/October/November, and December/January/February.
- ix. It was moved by Faye, and seconded by Liz to change the newsletter frequency to quarterly.

- xxi. Nancy stated that the 2019 WSF May 2019 Conference registration and luncheon costs of \$50 will be paid by the Federation.
- xxii. Discussion was held on how to ensure the Chapter is only billed for those members who actually attend the banquet. Nancy stated it could be accounted for as the members sign in for the event.
- xxiii. It was discussed that the WSF Conference/Training and National Conference/Legislative ads are not included in the present budget. It was decided to address these items as they come up during the year.
- xxiv. The Treasurer's note concerning reimbursement of attendees representing the Chapter as identified by the Chapter President was discussed. By consensus the final version of this note will read: *max we should spend with dollars to be divided by number of attendees representing Chapter 1192 as identified by Chapter President and reimbursement not to exceed an amount or fee determined by the Board, such as registration fees. This amount does include any associated costs for a Chapter 1192 ad.¹
- xxv. Total expenses after the above noted changes totaled: \$8,936.80.
- xxvi. It was moved by Liz, and seconded by Bob to approve the budget as rewritten today as the Final Budget for 2019. The vote was unanimous to pass the rewritten budget.
- xxvii. The recorded decisions above still resulted in a deficit budget for 2019. However the amount has been reduced from \$3,227.00 to \$2,131.80.
- xxviii. It was decided by consensus that as unexpected or unavailable expenses and costs arise during the remainder of the year they will be considered by the Board.

Post Meeting Input from Nancy – The WSF Per Capita charge has been waived for 2019. This is reflected in the attached Final 2019 Budget.

- Faye requested from Nancy a report from WSF or NARFE on the money transferred to the Chapter from the closing Walla Walla Chapter. In order to do the annual audit there needs to be a paper trail for how and why this money was distributed to our Chapter separately from the pro rata dues distributions. Liz reported she had not received any correspondence supporting the transfer of the non-dues funds. Liz also stated she has not received any more dues funds from the Walla Walla chapter membership transfers since the initial check. Nancy said she and Mary have some reports, probably in spreadsheet form, and will provide them to Liz. Nancy said she will look into the dues money transfer as well.
