President: Don Binder.

- Highlighted the May WSFC convention; many lessons learned for our 2016 convention. Also, we were the only WSFC chapter to receive awards in 3 categories:
 - a certificate for distinguished service for our contributions to NARFE Alzheimer's Research Fund;
 - for PAC contributions, the chapter came in 3rd in the federation for total contributions and 3rd in the percentage of members contributing;
 - \$200 and a certificate for the largest increase in dues withholding enrollments.
- The WSFC board has submitted a bylaws resolution for the NARFE August national convention that would reverse the National Executive Board's decision to reduce the number of NARFE regions from 10 to 5 effective November 1. Oregon and Alaska federations have submitted similar bylaws resolutions. Don said there did not appear to be interest in pursuing such a resolution at the Montana convention; and for Idaho, the convention was after the submission deadline.
- Had a further discussion with the board about the *Future of NARFE* report and potential implications. Director-at-Large Steve Howes had reviewed the report and provided written comments to Don. There was a general board consensus that the FON needed a strategic plan.

1st Vice President/Special Programs/Service Office: Lorie Bennett. No additional report.

2nd Vice President: Larry Williams. No report.

Secretary/Sunshine/Newsletter/Public Relations: Mary Binder.

- July/August newsletter articles are due to Mary by Friday, June 6.
- Senior Life Show – June 12, Three Rivers Convention Center. Nancy, Lorie and Barbara Fedoriga will staff the booth. Larry said he may stop by. Sig Preston had to back out of helping. For handouts there will be *narfe* magazines, the general membership brochures and M-2 cards. Nancy will get some candy and press our NARFE tablecloth so it can be used as the table cover.
- Nancy had questions regarding the projected rebates in the 2014 Chapter 1192 Outreach Action Plan. Mary said she'd review the plan to ensure we were on track.
- Shared the copy of the *Senior Life Resources Northwest 2013 Annual Report* that she and Don had received. Included in the report was information from Home Care Services, Mid-Columbia Meals on Wheels and Senior Health Services. The report was informative.
- For Sunshine – member Sandy Smith passed away. Mary sent a card to Sandy's family. Johanna reported that member Dan Zachary passed away the day before. Mary will send a card to his home. Also, member Paul Dunigan is scheduled to have surgery next week. Mary will send a card.
- The next board meeting is Wednesday, August 13, noon, Tri-City Country Club. [Note: The meeting date was subsequently changed to Friday, August 1, same time and location.]

Treasurer: Nancy Crosby.

- Provided copies and highlighted the May treasurer's report.
- Sterling Bank is now part of Umpqua Bank. The chapter's checking account has been with Sterling. Nancy reported that, to date, there has been no change to the charges we've had, but if that happens, she'll review and consider changing financial institutions.
- For the federation, Treasurer Arlene Patton has changed the federation's account to the NARFE Credit Union. Rates are better, including paying some interest on the checking account.
- Summarized reimbursement to chapter WSFC convention attendees: Nancy's and Don's expenses were covered by the federation because of their federation positions; Mary's were covered with Don's. Therefore, the budgeted \$480 was equally divided by the other 4 attendees: Lorie and Leon Bennett; Johanna Caylor; Sig Preston. Each received \$120. [Note: Leon subsequently donated his \$120 back to the chapter. \$40 went to PAC; \$40 to Alzheimer's; \$40 to the Chapter's general fund.]

Directors at Large: Steve Howes, Pat Turner. Pat asked if the board had considered joining the Tri-City Regional Chamber of Commerce besides the Tri-Cities Visitor and Convention Bureau (TCVCB). This had been discussed before the board decided to join the TCVCB several years ago. Mary said she'd get an information packet from the Chamber and check on costs and benefits. This will be an agenda item at a future board meeting.

District V Vice President: Nancy Crosby

- 2014 NARFE National Convention, August 24-28, Orlando, Florida – Don said with all that is going on, this will be a contentious convention. At the August board meeting, there will be further discussion regarding how the chapter members attending the national convention should cast the chapter's 6 votes. Currently, 5 chapter members are planning to attend: Don and Mary Binder; Johanna Caylor;

Nancy Crosby; Sig Preston. In June all chapters should receive a book with the proposed bylaws changes and resolutions submitted by the chapters or federations. This information will also be on the NARFE website. There may be other changes from the National Executive Board meets in June. After the convention, attendees need to submit their vouchers for reimbursement to Nancy; she'll consolidate and forward to WSFC Treasurer Arlene Patton. [The WSFC board agreed to reimburse federation attendees \$250/each as an incentive/to help defray costs.]

- 2016 Convention – contracts are signed with the Three Rivers Convention Center and SpringHill Suites. The chapter had a table at the May WSFC convention with Tri-Cities area brochures/information to help promote the 2016 convention.
- Will visit the other 2 District V chapters, Walla Walla and Yakima, in September and provide a recap of the national convention.

- The Washington State primary is Tuesday, August 5. For Rep. Doc Hastings' 4th Congressional District seat, there are currently a number of candidates. One expected candidate, Brad Peck from Pasco, did not file as a candidate.
- No consideration for providing NARFE-PAC money will be given to any 4th Congressional District candidate until after the primary. Also, NARFE does not give money to non-incumbents if there are more than 2 in a primary race.

Membership: *Johanna Caylor*.

- 2013 free memberships – Don is still working on contacting the 6 individuals.
- 2014 free memberships – 2 names will be drawn from the Senior Life Show M-2 cards; 4 from the health fairs.
- There was a question regarding the status of those AFEs who received a free 6-month NARFE membership last fall. Their renewals will be due in July. Don said he'd check with Bridget Boel on their status.
- 2nd reminder postcards – supplied through the federation. Besides using for members who've not renewed, they can be used to contact dropped members. Nancy said she waits 2 months to send the cards after a member has received a dues reminder from NARFE to hopefully not send a card to someone who has, in fact, renewed.
- The board discussed contacting new members via a welcome letter, inviting them to a meeting, etc. Question: who should be sending out the letters/contacting the new members. Johanna used to send a letter; that letter needs to be reviewed/updated.
