Chapter President – Don Binder

As I write this, Congress and the Administration continue to posture regarding the debt ceiling increase and FY 2012 budget. It is clear that pay for active federal employees, and benefits for both active and retired federal employees are in the “cross hairs” as ways to move the debt.

So, NARFE has set **Wednesday, July 27, as National Call Congress, President Obama Day.** Find details in our Legislative update, page 3.

Have you checked out NARFE’s **PROTECT America’s Heartbeat** on the NARFE website? If not, please do so. This is NARFE’s campaign to explain what federal employees have and are doing, AND that these same employees have sacrificed to help solve our nation’s budgetary problems. You can register to have pre-written letters sent directly to Senators Patty Murray and Maria Cantwell, and to Representative Doc Hastings. Sending these letters is so important, as with numbers comes Congressional attention. If you do not have computer access, feel free to call me. I will help you get your voice heard.

June 17, Mary and I were at the Three Rivers Convention Center to represent our chapter at the **3rd Annual Senior Life Show**. It was a great opportunity to meet people and talk about NARFE and our chapter. We met several people new to the area, one about to retire and others in the area who are retired but who did not know about NARFE. We are following up with these potential new NARFE members!

40th Birthday – Chapter 1192
September 7 Chapter Meeting
Look back, look ahead.
Tell stories, see friends.
Meet new members.
Hope you can join us!

Public Relations – Mary Binder

In September, the Chapter will celebrate its official 40th birthday! To prepare – and help maintain the Chapter’s history – we need photos, old newsletters and/or other items. Have anything? Please contact me: mary_binder@msn.com, or 509-585-1393.

1st VP/Hospitality Chairman – Carl Gallion

See this face? That’s me ... trying to laugh to avoid crying! The good news – I’m on the mend, again! The not-so-good news – I fell, re-broke my mended hip, had surgery and am once again in the throws of rehab! Thanks for the cards, visits and wishes. See you soon.

2nd VP/Special Programs – Lorie Bennett

I hope you are enjoying summer! I am, but am also looking forward to seeing you in the fall!

District V Vice President – Steve Anderson

I was pleased to see so many Chapter 1192 members at the May convention. Our district is a major force due in no small part to your support. Now, another significant event is approaching – your chapter’s 40th birthday! I am honored that President Don Binder invited me. I am looking forward to attending and meeting more members.

Alzheimer’s Research Fund – William Darke

Congratulations! For the reporting period May 2010 through April 2011, the chapter contributed \$1,653 – an increase from \$1,045 for the previous period. I think we can feel very good about contributing to such a worthwhile cause. I hope you are having a great summer, and I look forward to seeing you in the fall! I will again be accepting donations at our meetings. All the funds are used for Alzheimer’s Research, **and our chapter gets credit.**

NARFE-PAC – Carl Gallion

Thank you! From January through June this year, 17 chapter members contributed \$735 to NARFE-PAC. However, as we know, the battle is not over. Attacks continue on federal employees and retirees, and our earned benefits, continue. So, please consider donating to our “war chest.” ALL donations, no matter the amount, are welcomed!

Webmaster – Larry Williams

I’ve received information from NARFE’s IT director explaining that NARFE’s national web server and credit card processing use the most secured encryption to protect private communications over the Internet. This is reassuring to me, and can be to you, too, when providing your contact information, **including e-mails addresses,** to NARFE.

Legislative – Don and Mary Binder
 NARFE President Joe Beaudoin is asking members to call President Obama, and their 2 senators and representative, **Wednesday, July 27, to** let them know their views. This is **NARFE’s National Call Congress, President Obama Day!** Here are some details:

- White House toll-free number: **888.225.8418**.
- Capitol switchboard: **866.220.0044**. Ask for your legislators by name or provide your ZIP code. (**Note: Only contact your own elected senators and representative. Messages are disregarded if you are not a constituent.**)
- Message: **“My name is _____, and I live in (name city/town). I am a federal retiree (or worker). Don’t single us out with more cuts to the retirement and health benefits we earned through years of serving the public. Federal workers and retirees have already sacrificed pay and benefits.”**
- Whether talking with a Congressional staff person or leaving a recorded message, request your lawmaker respond in writing to your call. Leave your mailing address.

As U.S. citizens, taxpayers, current or retired federal employees, or spouses/widows/widowers of federal employees, we have a vested interest in what our elected officials are doing. So, it is more important than ever to be informed and to let our elected leaders know how we stand. Please consider doing so soon.

Some additional food for thought – April 6, 1993, Public Law (P.L.) 103-12 increased the debt ceiling to \$4.37 trillion. July 30, 2008, and P.L. 110-289, it went to \$10.615 trillion. Then, it went to \$14.294 trillion, February 12, 2010, and P.L. 111-139. May 24, this year, House Resolution 1954 proposed an increase to \$16.7 trillion. The House defeated it May 31, but stay tuned!

And, as always, we recommend checking NARFE’s web site, www.narfe.org, to get updates. If you don’t have access to the Internet, want to discuss legislative issues of interest to you, or have other questions, feel free to contact us at: 509.585.1393; don_binder@msn.com; or mary_binder@msn.com.

Thoughts from Afar
Deacon Al Rizzo
(via Dolores Rizzo)

One day, a prisoner I was working with said, “I feel like Jonah in the whale.” My response, “What are you going to do when you get spit out?” Silence, but I could see his wheels spinning. So, how will you face your next challenge?
