Medicare: For recipients with limited resources and income, Medicare offers “extra help” with prescriptions. Go to www.socialsecurity.gov. Under “Top Services” on the homepage, click on “Get Extra Help with Medicare Prescription Drug Costs.” Or, call SSA at: 800.772.1213 (TTY: 800.325.0778).

COLAS: For Social Security recipients and federal retirees, the COLA will increase 1.7% in 2013. Changes are effective in January.

A special “thank you” to members who responded to our annual September calls to all members. This helps us maintain our records, besides having a chance to check in and chat with many of you. Questions? Contact me:

THANK YOU FOR THE CALL

LOOKING AHEAD

1st VP/Hospitality Chairman – Carl Gallion

Two things – first, I’m working with the Red Lion staff on our lunch menu for the next year. The focus: “more healthy.” It will be set before the end of the year and posted on the chapter’s web site. Next, if you make a lunch reservation and don’t show, you still need to pay as the chapter owes for the lunch.

Chapter President – Don Binder

As I write this, the November 6 general elections are almost upon us. Some of you will have voted; others may be doing so shortly. Regardless, I hope one factor in your decision process was how individuals for federal office stand on issues important to NARFE, and thereby, all of us. You can expect updates and discussions at our November and future chapter meetings.

We will have nominations and the election of our chapter's officers at our November meeting, and the installation at our December meeting. If you are interested in serving in any of the officer positions, please contact Frank Griffin at: 509.492.4304.

Yes, the months of November and December bring a special time of year, starting with elections and followed shortly by Veterans Day.

Wherever you may be, please pause and give thanks for all those who have served and are now serving our great nation in our various military services.

Then we move to Thanksgiving, another opportunity for reflecting and giving thanks for all we have. Despite the many challenges our nation is facing, I believe we are truly blessed to be living in the USA with all its bounty.

Quickly following on the heels of Thanksgiving, for many there will be Hanukkah, Christmas, Kwanza or other religious celebrations. However you choose to celebrate or just quietly enjoy this time of year, it is yet another chance for reflection and giving thanks – to all those who came before us and all they did to enable us to enjoy the lives we have, and those of our family and friends. So, a special “seasons greetings” to you!

2nd VP/Special Programs – Lorie Bennett

The October 12 LIGO tour was awesome. Seven chapter members and three guests attended. The presentation was extremely informative and certainly made all of us think outside the box! Laser Interferometer Gravitational Wave science is pure science in the making and not an applied science. However, the guide spoke at a scientific level we could understand and follow. Most educational and something I recommend others attend if they have a chance. There is no cost. There is some walking, but no 9007 stairs. The web site is: www.ligo-wa.caltech.edu/.

Suggestions for another tour? Let me know!

District V Vice President – Nancy Crosby

Tri-Cities chapter member Larry Williams and I attended the Wenatchee chapter's September 12 picnic. I went as both a Tri-Cities Chapter 1192 member and in my role as the District V VP. Larry and I had a great time – it is always nice to interact with other chapters.

Then in October, I attended the Walla Walla chapter's meeting and had the chance to update members on the August NARFE convention, current Washington Federation plans, and a possible District V workshop next year, maybe in the fall vs. the spring. The Walla Walla chapter meets at 1 p.m. in the social room of a mobile home park. Members take turns bringing treats for a social time after the meeting. Next, I hope to attend the Yakima chapter's November meeting.

Looking ahead, our Washington Federation is still planning to hold a training event in lieu of the annual convention, per a change voted by delegates at the 2010 statewide convention. The dates are May 31 and June 1 and the location – the Quality Inn and Conference Center, Ellensburg. As we receive more information and details are finalized, we'll be updating members.

NARFE-PAC – Carl Gallion

When this article is published, the 2012 election will most likely basically be history. So, it is definitely time for my favorite duty as your PAC chairman – that is, to say a heartfelt THANKS to all dedicated members who contributed to our ability 2833 to keep NARFE interests alive. The sole purpose of NARFE-PAC is to gain credibility with our members of Congress to achieve the best representation for NARFE's interests. Contributions help us do that. So, while we offer pins and umbrellas to recognize contributions, as your chairman, I just wanted to say a simple “thanks” for standing with us.

Our work, however, is not done. Our fight is never over. January 2013 begins a new Congress and challenges. NARFE-PAC will continue to be needed. I'll be available to take your donations.

Alzheimer's Research – William Darke

Our Chapter 1192 annual “white elephant” auction fundraiser for NARFE’s Alzheimer’s Research Fund is at the chapter’s November meeting. It is our main Alzheimer’s fundraiser for the year. So, worthwhile items are most welcome! This is always a fun event – between checking out the items, and the bantering and bidding, it is just a great time for relaxing, laughing, socializing, and most importantly, raising funds for Alzheimer’s research. So, bring your items, cash or checkbook, enjoy the auction, bid and bid again, and hopefully we’ll raise even more than last year.

Reminder – to ensure your Alzheimer’s donations count toward our Chapter 1192’s contributions and NARFE’s goals, make them through me as your Alzheimer’s chairman or use coupons in the *NARFE* magazine.

Webmaster – Larry Williams

Have you taken time to check out NARFE’s updated web site? It was launched August 1. Go to: www.narfe.org.

Reminder! Chapter newsletters and other chapter information is available on our chapter web site: <http://www.narfe1192.org/newsletter.html>.

Legislative – Don and Mary Binder

With members of Congress in their respective states and districts prior to the November general elections, legislative actions were basically on hold. Now, however, the last two months of the year bring us a “lame-duck” session of Congress and more challenges, such as “sequestration.” There is currently a “gang of eight” – equally split between the two major parties – working to develop a compromise on budget cuts that can be presented during this “lame-duck” 9395 session.

If there is no compromise, massive cuts in both defense and almost all other facets of the Executive Branch will be impacted. Even contractors will be impacted – think Boeing and aircraft; think ships and work at our naval yards. Yes, layoffs would be real. Yes, compromise is needed.

Therefore, NARFE has scheduled another NARFE **National Call Congress Day for November 15**. NARFE will provide more information, including a detailed script, via

Political conventions, elections ...
many challenging things happening in our lives ...

A gift is no good if it is put in a drawer.
